

DRIVE THRU COVID-19 TESTING EVENT

The National Guard along with Douglas, Bayfield, and Washburn Public Health are working together to provide testing to those with symptoms of COVID-19.

Wisconsin residents 5 years and older with ANY of these COVID-19 symptoms are eligible for this free test:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Sore Throat
- Muscle aches
- Headache
- Sore throat
- Loss of taste
- Loss of smell
- Fatigue
- Nausea
- Diarrhea

How a Drive Thru Testing Site Works:

- Drive carefully, be patient
- Enter Business 53 from the North
- Watch for traffic flow directions
- Remain in your car for testing
- You will be asked screening questions, speak clearly and spell names
- Bring kleenex, you will be asked to blow your nose before the nasal swab test
- You will be called with results

When?

Wednesday May 6th
10:00am - 7:00pm

Where?

Solon Springs
Community Center
11523 S Business
Hwy 53
